CAREER OBJECTIVE

Passionate and results-driven front-end developer with 4 years of experience in designing and implementing user-focused, responsive web applications. Proficient in HTML, CSS, JavaScript, and modern frameworks like React. Adept at collaborating with cross-functional teams to deliver high-quality solutions, I have a strong track record of turning design concepts into functional, optimized websites and applications. With a focus on clean code, performance, and accessibility, I'm committed to continuous learning and staying up-to-date with the latest industry trends and technologies.
